# Program Descriptions

## **AAUW Great Decisions**

Great Decisions groups bring together a diverse, knowledgeable collection of individuals for educational discussions on foreign policy topics through the Foreign Policy Association. Please be sure to read the relevant article before attending. A book will be available in each library.

## **Nailed It: Bad Art Night**

No Talent? No Problem! Join us for a hilarious evening where the worse your art is, the better! This is your chance to let loose and embrace your inner terrible artist.

## **Paper Quilling**

Follow along with our instructor to make beautiful paper-quilled creations. All supplies are provided.

## **Japanese Dance**

Participants will learn several types of traditional Japanese dance. The four traditional dances taught will be Kabuki, from the 17th century; Bon Odori, a dance for the spirits; Nihon Buyo, and Noh Mai.

## **Meditation**

Step into a space of calm and presence with this 60-minute guided meditation and mindfulness practice. Designed for all levels, this class blends simple techniques to quiet the mind, restore balance, and cultivate awareness.

## **Dr. Bruce Craft Lecture: Forgotten Giants of The Louisiana Literary Canon**

Join us this Spring as we explore lesser known Louisiana writers. Dr. Bruce Craft of Southeastern Louisiana University will introduce us to several nearly forgotten giants of the Louisiana literary canon and analyze why their work is still critically important.

## **Author Talk: Secret New Orleans with Author Chris Champagne**

Chris Champagne is a lifelong resident of New Orleans, a graduate of Orleans Parish Schools and the University of New Orleans, with a B.A. in History.

The author will talk about his book, *Secret New Orleans*, an indispensable guide for those who thought they knew New Orleans well or would like to discover the other face of the city.

## **Craft Time at Bush**

Visit the Bush Branch for a chance to work on your fiber art projects with fellow creatives. Whether you're into knitting, crochet, embroidery, or weaving this club is a place to share your skills, learn new techniques, and get inspired. All skill levels are welcome.

## **Scherenschnitte**

Scherenschnitte means "paper cutting" in German. In this class, participants cut and follow patterns through step by step guidance from Lawrie.

## **Medicare 101**

Are you turning 65 in 2026? Confused about your Medicare Health Insurance options? Have questions about the open enrollment period?

## **Mahjong Meetup**

Come play Mahjong with your fellow patrons at the South Slidell Branch! Having basic knowledge of the game beforehand is preferred.
