- Seating space is limited to adults.
- Events are free and open to the public.

PROGRAM DESCRIPTIONS

All About Maps: Join us for a presentation on the history of maps and to see some of the map resources available at your library.

Android Smartphone and Tablet Basic: A reference librarian will present information to help you use your Android smartphone or Android tablet. Please bring your Android smartphone or Android tablet to class.

Ask a Reference Librarian: A reference librarian will be available to assist patrons and answer questions.

Breaking News! Fact or Fake? Don't Let Fake Information Fool You: It's important to be able to find reliable sources of information. 'Media' is how information, specifically news, is communicated to us. 'Media literacy' is the ability to analyze and evaluate the news. In this brief introduction to media literacy, we'll learn how to tell which news stories are fact, and which are not.

Coloring for Brain Health: Want to learn how to relax and expand your imagination and creativity while improving your fine motor skills and hand-eye coordination? Discover how coloring helps engage the brain in new ways, how to keep your brain healthy, and learn about library resources for brain health.

Creating Desktop Wallpaper in Canva: Join us as we create Desktop Wallpaper in Canva! We will discuss the basics of the website, practice utilizing templates, colors, fonts, uploading photos, and downloading our finished product.

Creating Invitations with Canva: Do you like to throw parties? Do you need to make invitations for those parties? Join us for a class in which we design an invitation on Canva! We will discuss the basics of the website, practice utilizing templates, colors, fonts, and downloading our finished product.

Genealogy Time : Discuss your tricky family history questions at genealogy time. Whether you're new to genealogy research or just can't find anything on that illusive ancestor, the genealogy librarian can help!

Getting Started with Newspaper Databases: Join us for a demonstration on how to access historic newspapers through our library databases. Feel free to bring a laptop, tablet, or smartphone to follow along.

iPhone and iPad Basics: A reference librarian will present information to help you use your iPhone or iPad. Please bring these items to class: your Apple ID and password and your iPhone and/or iPad.

LSBA Watch Party: Expungement: During this presentation, an attorney from the Justice and Accountability Center of Louisiana will discuss what you need to know about expungements.

Microsoft Excel Basics: For computer users who already know how to use a mouse, manipulate windows, and type on a keyboard, Microsoft Excel Basics teaches the beginning skills of how to create and edit a spreadsheet. You will learn basic tasks like how to format numbers and text, how to input mathematical functions in a spreadsheet, and more in this hands-on introductory class.

Open Discussion on Jean Lafitte, Louisiana's Notorious Buccaneer: Come join our second discussion about Louisiana's most notorious pirate and the lore and legend surrounding him.

Tech Time: Come to the library for one-on-one help with your technology questions.
