PROGRAM DESCRIPTIONS

Android Smartphone & Tablet Basics: A reference librarian will present information to help you learn about using your Android smartphone or tablet.

Ask a Reference Librarian: A reference librarian will be available to assist patrons and answer questions.

Bayou Patriots: Louisiana Militia and the American Revolution: The speaker, Rhett Breerwood, will describe how Galvez ended the British infiltration of the Lower Mississippi Valley and Gulf Coast with a collection of regular soldiers and Louisiana militia.

Creating Thank You Cards in Canva: Like personalized stationary? Want to add a personal touch to a business order? Join us for a class in which we design Thank You Cards on Canva! We will discuss the basics of the website, practice utilizing templates, colors, fonts, and downloading our finished product.

Genealogy Time: Discuss your tricky family history questions at genealogy time. Whether you're new to genealogy research or just can't find anything on that illusive ancestor, the genealogy librarian can help! Register online, and the genealogy librarian will call to schedule your thirty minute one-on-one appointment.

Getting Started with Libby: If you'd like to take advantage of our digital collection, come learn how to access our library's digital collection of ebooks, audiobooks, and magazines through the free Libby app.

History of Old Mandeville: Join us for a slideshow presenting the history of Old Mandeville featuring maps, paintings, and postcards, which will be followed by a short demonstration on how to do historical research with library databases.

How to Use ChatGPT: Are you interested in learning how to use ChatGPT? Join us for a class on the Large Language Model Artificial Intelligence software. We will work on developing a complete prompt to get the results you need and common uses for the software.

Internet Basics: Learn how the Internet works, how to connect to the Internet, and how to use a web browser and search the Internet safely.

Introduction to Foundation Directory: Looking for grants for your nonprofit? Come learn how to use Foundation Directory, the most comprehensive prospect research tool for fundraisers, with over 239,000+ grantmaker profiles. You will learn how to search for grantmakers who have funded organizations working on causes and with communities similar to those you serve.

iPhone & iPad Basics: A reference librarian will present information to help you use your iPhone or iPad. Please bring these items to class: your Apple ID and password; your iPhone and/or iPad.

LLSBA/LEAP Legal Workshop Watch Party: Housing & Landlord-Tenant: During this presentation, an attorney from the Louisiana Fair Housing Action Center will discuss what you need to know about common housing and landlord-tenant issues.

Tech Time: Come to the library for one-on-one help with your technology questions.

Book a Reference Librarian

The St. Tammany Parish Library offers a wealth of valuable resources, which can sometimes make it challenging to identify the ones that can assist you best. If you're seeking guidance on which resources to use, our reference librarians are here to help. They excel at connecting you with the information you need. Reference librarians can also help you with your questions about computers, smartphones, and tablets. Regardless of the topic that interests you, scheduling an appointment with a reference librarian can be incredibly helpful. Reference librarians are available at our Covington, Mandeville, and Slidell branches.

Waiting for a specific program to be scheduled again? Book a Reference Librarian to get one-on-one help instead.
