Explore Data Axle: The Leading Business and Consumer Data Resource *FREE with your STPL Library Card!*

Data Axle brings together the right data, services, and technology to help you grow your business goals and to expand your marketing research efforts. It includes small local businesses as well as national companies. Data Axle provides deeper insights into demographics, firmographics, and lifestyle traits of businesses and consumers.

These are just a few things Data Axle can help you accomplish:

- Find jobs by job skills, location, and industry
- Find business opportunities
- Locate companies nationwide
- Research business executives
- View historical market trends
- Track down addresses and phone numbers
- Discover news articles for research

PROGRAM DESCRIPTIONS

LIBRARY CLOSURES:
May 25 - Memorial Day

Android Smartphone & Tablet Basics: A reference librarian will present information to help you use your Android smartphone or Android tablet.

Armchair Travel - Storybook Castles: Take a virtual tour through storybook castles! Reference librarians from the St. Tammany Parish Library will show you beautiful images of castles from around the world while introducing you to library resources that can help you to begin your journey to traveling to far off places.

Ask a Reference Librarian: A reference librarian will be available to assist patrons and answer questions.

Computer Basics: Do you need to learn how to use a computer? Are you unsure of computer terminology? This class is designed for the computer novice and those who want to refresh their basic computer skills. Come join us as we explore the various functions and uses of the computer.

Creating Bookmarks in Canva: Join us as we create Bookmarks in Canva! We will discuss the basics of the website, practice utilizing templates, colors, fonts, uploading photos, and downloading our finished product.

Creating Banners in Canva: Have a party coming up? Want to advertise your business? Join us for a class in which we design Banners on Canva! We will discuss the basics of the website, practice utilizing templates, colors, fonts, and downloading our finished product.

Federal Census Records: The Federal census records have been taken by the United States government every ten years beginning with their implementation in 1790. While the census records became more detailed as the decades passed each record provides clues into your ancestors and the times they were living. This class will demonstrate how to access these records online at no cost to the public.

Genealogy Databases Overview: Come learn about the genealogy databases available at the library. This class will focus on three of the twelve databases available at any of the 12 libraries in the parish: Ancestry Library Edition, Family Search, and Heritage Quest.

Genealogy Time: Whether you're new to genealogy research or just can't find anything on that elusive ancestor, the genealogy librarian can help! Register online, and the genealogy librarian will call to schedule your 30-minute one-on-one appointment.

Grandparents' Rights - LSBA Watch Party: During this presentation, an attorney from Acadiana Legal Service Corporation will discuss what you need to know about grandparents' rights. After the presentation, you can ask questions, publicly, through Zoom as time allows.

Internet Basics: Learn how the Internet works, how to connect to the Internet, and how to use a web browser and search the Internet safely.

iPhone & iPad Basics: A reference librarian will present information to help you use your iPhone or iPad.

Mental Health Fair & Wellness (3rd Annual): Hosted with the St. Tammany Commission on Families, attend amazing free learning opportunities led by Sherrard Crespo, LCSW. Also visit over 40 community organizations to learn about Mental Health & Wellness resources for youth and adults!

Microsoft Word Basics: Learn Microsoft Word basics, including using the ribbon, text formatting, printing, and saving.

Tech Time: Come to the library for one-on-one help with your technology questions.
