Test Prep Resources

Scan this QR code to
explore the Test Prep
Resources:

The library offers a variety of online tools to help prepare for an exam, whether it is a college entrance exam, such as the ACT, a licensing exam for a profession, or the high school equivalency exam.

Get ready for that upcoming important exam by checking out these online resource by scanning the QR code to the right.

- Register online at <https://stpl.bibliocommons.com/events>, call the host branch, or scan the QR code for a direct link.
- Seating space is limited to adults.
- The library welcomes people of all abilities to programs. If you think you may need special accommodations, please contact us early for assistance, and we will do our best to provide the requested services.
- Events are free and open to the public.

PROGRAM DESCRIPTIONS

Android Smartphone & Tablet Basics: A reference librarian will present information to help you use your Android smartphone or Android tablet. Please bring your Android smartphone or Android tablet to class.

Ask a Reference Librarian: A reference librarian will be available to assist patrons and answer questions. If you need help with a mobile device be sure to bring it with you. Bring your library card and password. Remember, if you have an Apple device, make sure you know your Apple ID and password.

Disability Rights & Court Accessibility - LSBA Watch Party:

During this presentation, an attorney from Disability Rights Louisiana will discuss issues in disability rights law and court accessibility. After the presentation, you can ask questions, publicly, through Zoom as time allows.

Genealogy Database Overview: St. Tammany Parish Library offers many online tools you can use to research your family history. It can be puzzling to decide which databases will be the right ones to help you find answers to your genealogy questions.

Genealogy Time: Whether you're new to genealogy research or just can't find anything on that elusive ancestor, the genealogy librarian can help! Register online, and the genealogy librarian will call to schedule your thirty-minute one-on-one appointment.

Intro to GIS (Geographic Information Systems) Software: Interested in GIS? The STPG GIS District and the St. Tammany Parish Library invite you to register for a 4-part workshop series for both teens and adults. Learn about GIS mapping, GIS careers and education paths, how to use ESRI software and develop web maps using GIS.

iPhone & iPad Basics: A reference librarian will present information to help you learn more about using your iPhone or iPad.

Job Fair Expo: Looking for your next big career move but not sure where to start? Whether you are entering the workforce for the first time, pivoting to a new industry, or updating your resume after years at the same company, the job hunt doesn't have to be a solo mission. Attend presentations on resume building, effective networking, staying mentally strong, and recognizing fake job scams. Meet with local organization that assist with finding a job. Schedule a time for a professional headshot.

Local History Spotlight: Rosemerry Furhmann Hanian: This lecture will focus on the late Rosemerry Fuhrmann Hanian, (b 1922 D 1992) who first opened her dance school Creative Dance Center in 1967 inside an old church on 23rd Avenue in Covington. Several of her students will be sharing about the life of Rosemerry and how she impacted their lives.

Microsoft Excel Beyond the Basics: Learn intermediate skills to further develop your understanding of Microsoft Excel. You will learn skills such as advanced formatting, creating charts and graphs, and more.

Microsoft Word Basics: Learn how to create and edit a document. The program covers formatting options like how to bold text, change fonts, align text, save your document, and more in this hands-on introductory class.

St. Tammany Origins: Join us for a slideshow illustrating the prehistory and historical beginnings of Saint Tammany Parish.

Tech Time: Come to the library for one-on-one help with your technology questions.

Working with Windows: Troubleshooting Computers: Learn new tricks and some basic troubleshooting methods to build on your foundation of computer and Internet skills.

**LIBRARY CLOSURE:
Mon. Sept. 7- Labor Day**
