PROGRAM DESCRIPTIONS

Appy Hour: Schedule a 30-minute appointment with a reference librarian. Bring your devices, library card, password, and questions!

Armchair Travel: Haunted Louisiana: Take a tour through some of the haunted places of Louisiana and learn about library resources.

Ask a Reference Librarian: A reference librarian will be available to assist patrons and answer questions.

Excel Basics: Learn Microsoft Excel basics, including using the ribbon, font and number formatting, and more.

Genealogy Time: Whether you're new to genealogy research or just can't find anything on that elusive ancestor, the genealogy librarian can help! Register online, and the genealogy librarian will call to schedule your thirty-minute one-on-one appointment.

How CANDID Helps Nonprofits: Join our training to learn how Candid's flagship products and other resources, can help you effectively fundraise, learn from your peers, and tell your organization's story.

Internet Basics: Learn how the Internet works, how to connect to the Internet, and how to use a web browser and search the Internet safely.

Law Talks: Taxes Watch Party: Join attorney Paul Tuttle with Southeast Louisiana Legal Services, who will discuss what you need to know about taxes and your rights. After the presentation, you can ask questions as time allows.

Library Databases: Auto Repair: Join a reference librarian for a demonstration and to learn more about one of the library's resources/databases.

Looking for Old Saint Tammany: Join us for a slideshow showcasing historic maps and images of Saint Tammany Parish and a demonstration on how to do historical research with library databases.

Microsoft Word Basics: For computer users who already know how to use a mouse, manipulate windows, and type on a keyboard. You will learn formatting options like how to bold text, change fonts, align text, save your document, and more in this hands-on introductory class.

Navigating STPL Mobile: Join a reference librarian for an informational session on basic navigation and the services the library mobile app offers such as renewing items online, placing things on hold, and much more!

RootsTech: Free Genealogy Webinars: A collection of talks on a wide variety of genealogy topics is available online for free. During this session, attendees will be introduced to some of the available talks and shown how to search and watch the recorded talks from the conference.

Tech Time: Come to the library for one-on-one help with your technology questions.

Top Scams in Louisiana: Want to know about the top scams in Louisiana? Join us to learn about the scams, how to spot the fakes, and how to protect yourself against them.

Troubleshooting Windows: Learn new tricks and some basic troubleshooting methods to build on your foundation of computer and Internet skills.

Working with Windows: Organizing Files and Folders: Learn to right click on the mouse, save and organize your files and folders, use external storage devices, find files, and delete them.

Zentangle: This is an easy-to-learn, relaxing, and fun way to create beautiful images by drawing structured patterns. We'll discuss how activities like Zentangle help to engage the brain in new ways and keep it healthy.
