PROGRAM DESCRIPTIONS

All about Maps: Join us for a presentation on the history of maps and to see some of the map resources available at your library.

Android Smartphone & Tablet Basics: Information to help you learn more about using your Android smartphone or tablet.

Armchair Travel: King Arthur: A Journey to King Arthur's Court: Join us as we examine the origins of the King Arthur mythos, how it evolved over time, regional variations, and the places connected to the legend.

Ask a Reference Librarian: A reference librarian will be available to assist patrons and answer questions.

Creating Reading Journals in CANVA: Join us for a class in which we create a reading journal on Canva! We will discuss the basics of the website; practice utilizing templates, colors, fonts; upload photos; and download our finished product.

FamilySearch: Beyond the Basics: Learn how to use FamilySearch.org to find records on your genealogy through using FamilyTree, the Catalog, and the Wiki.

Genealogy Database Overview: St. Tammany Parish Library offers many online genealogy databases to help you find answers to your family history research questions. Join us to learn more about your library's genealogy databases.

Genealogy Time: Whether you're new to genealogy research or just can't find anything on that elusive ancestor, the genealogy librarian can help! Register online, and the genealogy librarian will call to schedule your thirty-minute one-on-one appointment.

Getting Started with Linked In Learning: Join a Reference Librarian to get a guided tour through LinkedIn Learning. You will learn how to access it, searching, saving, and more.

Introduction to Foundation Directory: Looking for grants for your nonprofit? Learn how to use Foundation Directory to search for grantmakers in the community.

iPhone and iPad Basics: Information to help you learn more about using your iPhone or iPad.

LSBA/LEAP Legal Workshop Watch Party: Heirs' Property: Heirs' property refers to a family home or land that passes from generation to generation usually without a will. Attorneys with Louisiana Appleseed will discuss what you need to know about your heirs' property and your rights. After the presentation, you can ask questions as time allows.

Microsoft Excel Basics: Learn Microsoft Excel basics, including using the ribbon, font and number formatting, and more.

Microsoft Word Basics: For computer users who already know how to use a mouse, manipulate windows, and type on a keyboard. You will learn formatting options like how to bold text, change fonts, align text, save your document, and more in this hands-on introductory class.

Tech Time: Come to the library for one-on-one help with your technology questions.

Working with Windows: Computers for Beginners: Join us as we learn how to use a computer, learn computer terminology, how to access the internet, and more!

Zentangle for Brain Health: The Zentangle Method is an easy-to-learn, relaxing, and fun way to create beautiful images by drawing structured patterns. We'll discuss how creative activities like Zentangle help to engage the brain in new ways and keep it healthy, and share library resources for brain health.

LIBRARY CLOSURES:

Jan. 1 - New Year's Day

Jan. 20 - Martin Luther King, Jr. Day
