Program Descriptions

Scherenschnitte

Scherenschnitte means "paper cutting" in German. In this class, participants cut and follow patterns through step by step guidance from Lawrie.

Paper Quilling

Follow along with our instructor to make beautiful paper-quilled creations. All supplies are provided.

Japanese Dance

Participants will learn several types of traditional Japanese dance. The four traditional dances taught will be Kabuki, from the 17th century; Bon Odori, a dance for the spirits; Nihon Buyo, and Noh Mai.

Diamond Art

Make a diamond art bookmark or coaster! All supplies are provided.

Beginner ESL

Explore the basics of communication in English, from listening and speaking to reading and writing. This course is free and open to the public; however, there is a book to purchase.

Spirograph Post Cards

In this class we will be using a spirograph tool to create fun geometric designs on a post card. You'll explore patterns, symmetry, and even a little math while having fun with art!

Basic Pottery

This class will teach you 3 hand-building techniques for creating clay vessels. You will walk away from class with a trio of small pots, each showcasing one of the techniques you learned.

Medicare 101

Are you turning 65 in 2025? Confused about your Medicare Health Insurance options? Have questions about the open enrollment period? The Fussell Group Insurance Advisor agents will teach the basics of Part A, B, C, and D Coverage.

Flower Arranging

Discover the art of flower arranging in this hands-on workshop! Whether you're a beginner or have some experience, our expert instructor from La Colline Farm will guide you through the process of creating stunning floral arrangements.

Nailed It: Bad Art – Sculpture

No Talent? No Problem! Join us for a hilarious evening where the worse your art is, the better! We'll provide all the supplies you need to create your very own "masterpiece." This is your chance to let loose and embrace your inner terrible artist. At the end of the night we'll vote on the "Worst Art." The winner will get the chance to wear a golden beret and have their picture taken!

The Symbolism of Seeds

In this event led by Ty from Cultivating Culture we will explore the cultural meaning of seeds — as powerful symbols of legacy, resilience, and generational growth. We'll also go over basic seed-saving practices before making seed paper and seed bombs!

Adult Coloring Club

Relax in the A/C and enjoy the simple art of coloring among other adults.

Jigsaw Juncture Puzzle Club

Join fellow puzzle enthusiasts on the third Monday of every month. Puzzles will be provided but you can also BYO!

Gel Printing

Learn how to make your own decorative patterns through the art of printmaking. In this class we will be utilizing a technique known as "crayon-resist" to make gel prints you can display or cut up to create gift tags.

Mosaics

Learn how to design and assemble your own mosaic using colorful beads, tiles, and other materials.

Please Note: All St. Tammany Parish Library Branches will be closed for Independence Day on 7/4
