LIBRARY
ST. TAMMANY PARISH

sttammanylibrary.org

# PROGRAM DESCRIPTIONS

**Android Smartphone & Tablet Basics:** Information to help you learn more about using your Android smartphone or tablet.

**Armchair Travel: King Arthur:** A Journey to King Arthur's Court: Join us as we examine the origins of the King Arthur mythos, how it evolved over time, regional variations, and the places connected to the legend.

**Ask a Reference Librarian:** A reference librarian will be available to assist patrons and answer questions.

**Computer Basics:** Do you need to learn how to use a computer? Are you unsure of computer terminology? This class is designed for the computer novice and those who want to refresh their basic computer skills. Come join us as we explore the various functions and uses of the computer.

**Creating Recipe Books in CANVA:** Join us for a class in which we create a recipe book on Canva! We will discuss the basics of the website; practice utilizing templates, colors, fonts; upload photos; and download our finished product.

**Genealogy Database Overview:** St. Tammany Parish Library offers many online genealogy databases to help you find answers to your family history research questions. Join us to learn more about your library's genealogy databases.

**How to Use ChatGPT:** Are you interested in learning how to use ChatGPT? Join us for a class on the Large Language Model Artificial Intelligence software. We will work on developing a complete prompt to get the results you need and common uses for the software.

**Internet Basics:** Learn how the Internet works, how to connect to the Internet, and how to use a web browser and search the Internet safely.

**Introduction to Sanborn Maps: A Genealogy Tool:** While the maps were originally intended for fire insurance purposes as well as waterway system maps of the areas, today they often function as a snapshot to the place and time of their making.

**iPhone and iPad Basics:** Information to help you learn more about using your iPhone or iPad.

**LSBA/LEAP Legal Workshop Watch Party: Workers' Comp:** Workers' compensation is a system designed to provide a safety net for workers who are injured or become ill due to their job. Amber Sheppard will discuss what you need to know about workers' compensation. After the presentation, you can ask questions as time allows.

**Tech Time:** Come to the library for one-on-one help with your technology questions.
