Want to Learn a New Skill? Check Out Gale Courses!

What's on your list to learn? Maybe you'd like to build up your business know-how, master a second language, or conquer code? Whatever it is, you're bound to find something that piques your interest with Gale Courses. These classes are held entirely online, led by expert instructors and, best of all, free with your library card.

EXPLORE POPULAR TOPICS

- Business, including human resources, management, and marketing
- Computer and technology
- Life skills, from finance to parenting
- Health and wellness
- Continuing education credits

FIND A COURSE THAT FITS YOUR SCHEDULE

While the sessions are six weeks long, the lessons are released twice a week (so you can keep up or catch up as the case may be). A new round of courses starts every month.

- Seating space is limited to adults.
- Events are free and open to the public.

PROGRAM DESCRIPTIONS

Android Smartphone and Tablet Basics: A reference librarian will present information to help you use your Android smartphone or Android tablet. Please bring your Android smartphone or Android tablet to class..

Ask a Reference Librarian: A reference librarian will be available to assist patrons and answer questions.

Creating a Monthly Budget with Microsoft Excel: Computer users who are already knowledgeable in how to use a mouse, manipulate windows, type on a keyboard, and have intermediate skills with Microsoft Excel will learn how to utilize these existing skills to create a functional monthly budget spreadsheet.

Creating Photo Calendars with Canva: Do you like wall calendars? Do you wish you could have a calendar with your photos? Join us as we craft a photo calendar on Canva! We will discuss the basics of the website, practice utilizing templates, colors, fonts, uploading photos, and downloading our finished product.

Getting Started with Newspaper Databases: Join us for a demonstration on how to access historic newspapers through our library databases. We will go over how to use NewspaperArchive and Newsbank. Feel free to bring a laptop, tablet, or smartphone to follow along.

Hibernians (Irish) of New Orleans (Genealogy): Hibernia is the Latin word for Ireland. Irish immigrants had a huge impact on the culture, history, and prosperity of New Orleans and its environs. This presentation documents the origins and contributions of Irish organizations in New Orleans between 1818 and today.

Images of Old New Orleans: Join us for a slideshow showcasing drawings, paintings, and photographs of New Orleans from the 18th and 19th centuries.

Internet Basics: Learn how the Internet works, how to use a web browser and how to search the Internet safely.

Introduction to Federal Census Records: A Genealogy Tool: The Federal census records have been taken by the United States government every ten years beginning with their implementation in 1790. While the census records became more detailed as the decades passed each record provides clues into your ancestors and the times they were living. This class will demonstrate how to access these records online at no cost to the public. .

iPhone & iPad Basics: A reference librarian will present information to help you learn more about using your iPhone or iPad.

Looking for Old St. Tammany: Discover the rich history of St. Tammany Parish. Join us for an engaging presentation featuring historic maps and images from the past.

LBSA Watch Party: A Divorce Lawyer's Guide to Getting Married Smart: During this presentation, Camille Patti will tell what you should consider before getting married. After the presentation, you can ask questions, publicly, through Zoom as time allows.

Microsoft Word Basics: Teaches how to create and edit a document. You will learn formatting options like how to bold text, change fonts, align text, save your document, and more in this hands-on introductory class.

Newspaper Databases for Genealogy: Explore how to use the library's online newspaper tools to support your family history research. This session highlights two resources you can use anywhere with your St. Tammany Parish Library card: NewsBank and Newspaper Archive.

Tech Time: Come to the library for one-on-one help with your technology questions.
